WORK EXPERIENCE

FrontEnd Web Developer

210 Blocks   Mar - Sep 2024

- **210Blocks V2**: Worked on a **new version of 210Blocks'** website to assess and develop my skills with **Next.js**, **Mantine UI**, **SCSS**, and **Sanity**, gaining hands-on experience in a **full-stack environment**.

- **Devis Generator**: Built a tool from scratch to streamline client project estimates by **importing CSV data from Jira**. The tool linked **client data from a Supabase** database, instantly **generating estimates**, creating **invoices**, and allowing **PDF downloads** using **Next.js**, **SCSS**, **Mantine UI**, and PDF generation packages.

Content Moderator

Telus International   2018-2023

- **Work under pressure** with **high statistics expectations. Flexibility** due to a rotating working schedule, morning, late and night shift

- **Focus**, **discipline** and **rigorous** way of work, applying **constant updated new rules**

- **Control of emotions** with tough graphic and moral content to handle
